*

*

Current Institutional Affiliation:

Recommendations: List three academic or other appropriate references and give their name, title, institution, department, address, and telephone; academic references should be senior faculty members. Request that each send a letter of recommendation to the Marshall Foundation by the deadline of October 14, 2011.

1.

2.

3.

Subject of Research Project:

Proposal: On a separate sheet, clearly describe the planned research, its significance, the intended audience, and expected outcome or product of this project. Length of proposal and line spacing are at the applicant's discretion.

Review of Literature: Cite and briefly discuss three important sources of related research and explain how your project will contribute to the current body of work in this field.

- 1.
- 2.
- 3.

Writing Sample: Attach a sample of your writing, 5-10 pages in length.

Describe Similar Research Projects you have undertaken and Awards and Honors you have received or attach a Curriculum Vitae:

Project Budget: Prepare an itemized budget indicating anticipated costs and a total estimate of expenses. If your costs include the services of professional personnel, provide a one-paragraph summary or vita for each professional. Attach the Budget to the Application form.

Signature: _____ **Date:** _____

Appendices to the Application: Proposal, Budget, Writing Sample, possibly Vitae. Recommendations should be sent separately
