Scope and Contents Notes

The 25<sup>th</sup> Infantry Division Association Archives Collection offers a plethora of military information concerning both official and personal matters from 1939 to the present. Materials in this collection include primary information, publications, photographs, maps, United States Army Operational Reports, an audio-tape, videotapes and other miscellaneous information. The collection was established at the George C. Marshall Foundation in 1995 and will continue to expand.

Four major categories provide to organization for the 25<sup>th</sup> Infantry Division Association Archives. The first category includes boxes 1 through 6 and is comprised of two sub-collections, photographs, maps, primary information, and publication materials concerning the 25<sup>th</sup> Infantry Division during World War II. Boxes 7 through 9 contain primary information, publications, photographs and maps pertinent to the 25<sup>th</sup> Infantry Division during the second major category which details the Korean War.

The third category of the archives contains material relevant to the 25<sup>th</sup> Infantry Division during the Vietnam War. Boxes 10 through 19 contain United States Army Operational Reports dating from 1 January 1966 to 28 February 1971, photographs, maps, primary information, and publications including *Tropic Lighting News*. The final category of the archives contained in boxes 20 through 24 includes post Vietnam miscellaneous material and publications, such as the *Indochina Chronology*.
